Contact: Elaine Lin
Email: elaine.lin@ible-tech.com
Phone: +886-2556-1588-301
+886-939-017503

Company Introduction

ible Technology is an IOT & wearable device company aiming to protect everyone from harmful airborne substances and create better life with innovative wearable air purifiers.

Airvida

E1

Airvida E1 is the first ionic air purifier with noise-cancelling earphones. It generates 6 million negative ions around users' faces to effectively reduce PM2.5, pollen (allergens), and viruses breathed in. Its location-based app also provides instant air pollution info wherever we are.
